MENLO PARK RECORDER

A PAPER DEVOTED TO THE BEST INTERESTS OF MENLO PARK AND SAN MATEO COUNTY

VOLUME 13 — MENLO PARK, SAN MATEO COUNTY, CALIFORNIA, FRIDAY, JUNE 12, 1936 — No. 35

Flag Day, 1936

By RAYMOND PITCAIRN
National Chairman
Sentinels of the Republic

"The work that we do is the making of the Flag."

America, as this is written, is preparing for its annual and reverent celebration of Flag Day.

From every public building, from millions of private homes, will fly the standard which has been the symbol of **American valor** and of **American love of freedom** through a century and a half of glorious history.

What is America doing today to perpetuate those qualities — woven into the flag by the strength and the courage of our fathers?

Are our politicians preaching **valor** when they urge the sons of pioneers to deny their own initiative, their own self-reliance, and to turn instead to a centralized government for direction, for ideas and for support?

Are the new economic prophets **preaching love of freedom** when they ask our people to relinquish their constitutional right to govern themselves, so it may be delivered into the hands of temporary officeholders and bureaucrats?

The men and women who braved both danger and hardship to carry the flag across a continent wouldn't have thought so. Few Americans who love personal liberty and independence would think so today. If they did, our flag would lose its meaning.

• • •

Franklin K. Lane once personified the American flag as speaking thus to an humble worker:

"I am your belief in yourself, your dream of what a people may become . . .

"I am all that you hope to be, and have the courage to try for . . .

"I am the Constitution and the Courts, statutes and the statute-makers, soldier and dreadnaught, counselor and clerk . . .

"I am the clutch of an idea, and the reasoned purpose of resolution . . .

"I am what you make me, nothing more."

We know what our fathers made the flag. Can we afford to nullify their labors?

SHAKE WELL BEFORE READING

Washington.—Now one of the New Deal's federal bureaus is going to tell you how much gin to put into a martini or how much "sing" goes into a "Singapore Sling." Alcohol Control Administrator W. S. Alexander has called in the nation's outstanding experts on the art of mixing cocktails to determine for him the proper standard of contents for various highballs, fizzes and other mixed drinks. The resulting testimony will be published in a sort of federal "bartender's guide," to sell for five cents.

Maybe the experts will tell the bureaucrats what to do for a headache after November 3.

Canadian Farm Exports to U. S. Rise Sharply

Ottawa, Ont.—As a result of President Roosevelt's trade agreement with Canada, Canadian exports to the United States have shown marked increases during the first four months of 1936, according to the report of the department of trade and commerce. Some of the increases were as high as 300 per cent, heaviest gains being made in agricultural products and lumber.

The number of horses shipped to the United States rose to 8,700, compared with 1,600 during the corresponding period a year ago. The export value of swine increased from $3,000 to $390,000 and cattle exports increased $1,400,000. Cheese exported to the United States rose from $21,000 to $407,000 and exports of patent leather increased $37,000.

Advances in the export of lumber were marked, soft wood lumber increasing from $1,642,000 to $3,227,000. Hardwood exports showed an increase of almost 100 per cent to $307,000, and square shingles increased to $1,510,000.

French New Deal May Bring Panic

Public Fear Parallels U. S. After Roosevelt Victory in Fall of 1932.

Chicago. — Threatened with the establishment of a radical government—"a sort of New Deal on the American pattern" —France is experiencing a wave of public fear that is described by Howard Wood, prominent economic writer, as similar to the financial panic which swept the United States between the election of the New Deal in November, 1932, and the date of the inauguration in March, 1933.

"In France," Mr. Wood reports, "the 'little fellows' are trying to protect their savings by hoarding. Runs on the banks have reduced deposits. Capital is leaving France as fast as there are ships available to carry gold. Disclosure of plans to 'soak the thrifty' and schemes for vast political expenditures have intensified the scramble.

"Similarly in the United States," Mr. Wood adds, "the panic did not begin until the interval between the election of the New Deal and the date of its taking office, and culminated in the nation-wide bank moratorium of March, 1933."

Observers of business and industrial conditions have already established the fact that the low point of the depression was passed during the summer of 1932, and the upward climb to prosperity was already under way in the fall of the year. Fears that arose from the proposals of New Dealers brought on the panic.

REV. W. L. BONE VISITS LOCAL CHURCH SOCIETY

W. L. Bone, for several years pastor of the local Presbyterian church attended the luncheon given by the women's missionary society Tuesday afternoon. Rev. Bone had with him 25 members ofh is present congregation's missionary society, Elmhurst church in Oakland.

Fifty members and guests were seated at the tables, which were decorated in pink canterbury bells and blue delphinium. Mrs. J. B., Glunz presided. Mrs. J. E. Cooper sang a vocal solo and took part with Mr. Staub in a duet.

The speaker of the afternoon was the Rev. Hugh Taylor, for 46 years a missionary to Siam. His discourse was particularly interesting and instructive.

PRESBYTERIAN CHURCH ANNOUNCEMENTS FOR SUNDAY

Sunday school will convene at 10:30 a. m. next Sunday under the directio nof John Heltzel, superintendent, in preparation for the Children's Day program to follow.

At the 11 o'clock worship period the Sunday school will hold its annual Children's Day program.

There will special vocal and instrumeental music rendered and the members of the Sunday school will give a number of recitations.

Each class in the school will provide a part of the program and the "Sacrament" and "Infant Baptist" will be observed.

The parents and public are cordially invited to this service.

The Senior Christian Endeavor will convene in the social hall at 7 p. m.

At the evening worship period at 8 o'clock the pastor will speak on "The Good Shepherd" and the choir will sing "O Praise The Lord."

Mr. Ryan of the Menlo Park Hardware, is installing a large Cyclops electric refrigerator in the Home Food Shop, Palo Alto, to take care of their salads, etc. Mr. Ryan reports the sale of quite a large number of these exceptionally fine refrigerators, and invites all who are interested to call at the store and look over the line of Cyclops boxes he has on display.

The American Farmer—Trapped!

City Dads Dispose Of Routine Business

The Menlo Park City Council met in regular session last Tuesday evening and disposed of routine business in "jig time."

City Treasurer Frances Maloney reported a balance of $12,681.94 in the city's coffers, distributed as follows: General Fund, $11,288.58; quarter-cent gas tax fund, $629.07; street improvement fundfi $764.29.

The matter of the purchase of an awning or some protection from the sun for the city hall came up officesand after some discussion it was decided to install Venetian blinds to furnish the required shade.

The sum of $183 was set aside to furnish the Treasurer's office with a steel safe file, a swivel chair, and two arm chairs.

Councilman Harry J. Lusk applied for a four-week leave of absence which was granted.

An extension of a five year period on the existing contract of the local rubbish disposal company was denied on advise of the city attorney. The present contract expires in 1938, and the council went on record as favoring the granting of the extension at some future date.

MARJORIE PARIS HONOR GUEST AT PARTY HERE

Mr. and Mrs. Fred Paris entertained at a birthday party for their daughter Miss Marjorie Paris last Saturday evening at their home in this city..

An evening of fun, dancing and games were enjoyed by those present, who were: Miss Leona Young, Miss Mary Mackenhausen, Miss Anne Skrabo, Miss Nell Skrabo, Miss Irene Ventura, Miss Margaret Simmons, Miss Nell Kennedy, Miss Eileen Paris, Mrs. Esther Siino, Mrs. Dorothy March of Los Angeles, Mr. and Mrs. Lester Schemel, Horace Siino, Ed McLaughlin, Ed Silva, John Skrabo, Emile Pommes, Howard Newbecker, Peter Duzanica, Frank Carter, Tom Shine, Peter Delbono, and Joe Siino of Pittsburgh.

Peninsula Chapter No. 47, Disabled American Veterans of the Wolrd War, Menlo Park and Palo Alto, will meet in the Legion Hall Oak Grove avenue, this evening at 8 o'clock. There is business of importance to be considered and following the business session refreshments will be served. A large attendance is desired.

Mr. and Mrs. Laurence H. Dorcy of Menlo Park are the proud parents of a baby daughter, born Thurs day, June 4, in San Francisco.

Publishers To Meet At Stanford Union

A joint meeting of the members of Santa Clara and San Mateo County Press Associations will be held in the form of a dinner meeting in the dining room of the Stanford Union on Monday evening, June 15th. It is expected that fifty of more members of the two associations and thei rguests will be in attendance at this time.

Frank Rospaw, president of the California Newspaper Publishers Association is making his official tour of Northern California at this time , being accompanied by John B. Long, general manager of the Association and the meeting has been planned so that he may address the publishers of the two counties.

In addition to Mr. Pospaw and Mr. Long, a number of other speakers of noted will be in attendance.

The committee in charge of the arrangements for this occasion consists of O. A. Bradley (Willow Glen Recorder, for Santa Clara County Unit, and L. E. Harris (Menlo Park Recorder), for the San Mateo County Association.

LOCAL PEOPLE APPLY FOR MARRIAGE LICENSES

Three local people have applied for marriage licenses this week in different places as follows:

Robert G. Langstron, 21, Menlo Park, and Leslie Baer, 21, Stanford University, received a license in San Jose.

Tokutaro Mue, 32, Centerville, and Nasaka Nakanishi, 21, Menlo Park, filed their application for a license in Oakland.

Robert F. Herbig, 24, Menlo Park, and Mildred A. Edling, 20 San Carlos, made their application for a marriage license in San Francisco.

Among those who have made reservation on the streamliner "City of San Francisco," leaving Sunday, (June 14) on its first trip to Chicago is W. B. Simpson, Capitalist, Menlo Park. This is the fine new Southern Pacific train that will cut the time to Chicago to a little over 39 hours.

According to the report of the County Health officer, Atherton has one new case of Scarlet fever; and Menlo Park his two new cases of the German measles and one of Chicken pox. Menlo Park outside also has two cases of chicken pox.

Mr. and Mrs. W. F. Disney of San Carlos have moxed to Menlo Park, and taken an apartment at 679 Roble avenue.

Judge Cotton Seeks Return To Bench

Backed by endorsements and testimonials of leading mefmbers of the San Mateo County Bar Association, and prominent citizens from every section of the county, Judge Aylett R. Cotton today filed nomination papers with Cocnty Clerk Elmore B. Hinman, Redwood City, to succeed himself on the county superior bench at the August 25 primary election.

Judge Cotton was elevated to the bench February 5 of last year, following the sudden death of Judge Franklin Swart. The term of superior judge is six years, but owing to the fact that Judge Cotton received a gubernatorial appointment he is compelled by law to stand for election this year at the first general election since his appointment.

JUDGE AYLETT R. COTTON

Judge Cotton was serving as the Mayor of San Mateo, where he has been a resident for nearly 30 years when he received the appointment from the governor. He has been engaged in the practice of law for nearly 40 years, having served in important legal posts during that time.

Judge Cotton is a trurtee of the Menlo Junior College and High school in this city and his son recently graduated from this institution. He is very much interested in Menlo Park and deserves the whole hearted support of residents of this end of San Mateo county.

During his less than one year and a half incumbency on the San Mateo County Bench, Judge Cotton has handled more than 3,000 cases, an average of more than 10 cases daily for the Court year.

Entertainment Promised At South City Race Track

South San Francisco, June 12.—(Special)—Baden Kennel club's Saturday night programs have proved sensationally popular this season, and another record-breaking crowd is expected tomorrow night when an 11-race card with the fastest doys running will be augmented by an entertainment program offering Charley Marshall and his Mavericks, nationally known radio act.

Marshall and his Mavericks, fresh from the National Barn Dance program at Chicago, a coast-to-coast feature, will appear at the South San Francisco track in person tomorrow night to entertain the fans between races. The troupe includes Johnny O'Brien, America's champion harmonica player, and Mona Greer, singer of American folk songs. The group will be accompanied by Fred Lamb and his orchestra.

Presiding Judge H. M. Barton has promised that the best dogs in training will go in the feature race of the evening.

FOR SALE—Large seven room house to be moved or wrecked. For information see Menlo Park Realty Co., 1055 Doyle Street, Phone M. P. 21832.

Landon Receives G. O. P. Nomination

Alf M. Landon, Governor of Kansas was given the Republican nomination for the office of President of the United States, at the convention in Cleveland, yesterday by a unanimous vote.

Thus the Republican party has called upon an able man to be its standard bearer for the coming November general election, with all indications that he will sweep the country at the time.

Public interest now centers on the next move of the convention which will be the selection of a running mate for Mr. Londan, and from all appearances at this time that man will be Colonel Knox.

International Relations Institute At Mills College

Organization committees with representatives in more than twenty northern California cities will help wit harrangements for the Institute of International Relations at Mills College this summer, it was announced to day by Dean Rusk, executive secretary of the Institute and Professor of History and Government at Mills College. Although delegates are already registered from distant states, the primary purpose of the Institute is to serve those living in northern California. During the ten-day session from June 23 to July 3 members of the Institute will meet with twenty out standing leaders from this country and abroad.

Organization committee chairmen outside of San Francisco and Oakland include Mrs. H. J. Rathbun and Mrs. Frank J. Frost, Palo Alto; Mrs. Hassel-Smith, San Mateo, and Mrs. Helen Million, Menlo Park.

Lecture courses, round table groups and evening addresses will provide a varied program for members of the Institute. Ample time will be provided for informal interviews between delegates and institute faculty.

Homecoming Day At S. J. State Tomorrow

San Jose State college will be the scene of alumni activity Saturday afternoon (June13) as returning graduates make their presence known on the Washington Square campus.

The annual Homecoming Day program will overshadow other collegiate events this week-end as the student body entertains members of the preceding classes.

Under the direction of Mrs. Mary McDermott McClure, alumna and general chairman of the day, a complete program will keep the visitors and general chairman of the day, a complete program will keep the visitors busy from early morning hours until the last note of the Student body-Alumni ball fades into the past at midnight.

Receptions, organization breakfasts and registration will occupy the earlier sessions, with a concert in the college auditorium slated to follow that. The concert will feature San Jose State's A Cappella Choir and the College Symphony orchestra.

The noon hour will find the alumni gathering on the south lawn of the college campus at a gigantic barbecue. At this point in the proceedings the classes of 1886, 1911 and 1926 will be significantly honored.

Class reunions, teas, and a demonstration football game will occupy the afternoon hours.

Following reunion dinners in the late afternoon and early evening hours, the annual dance will get under way in Spartan pavilion, a fitting climax to a day of bustle and activity.

Dr. C. V. Thompson Files Nomination

More than 20 year ago Dr. C. W. Thompson, Pescadero, formerly of Burlingame began his service to San Mateo county as a member of the board of Supervisors.

Today in Redwood City he again filed his candidacy for Supervisor, to represent the coastside, which district he served for many years in that capacity. Dr. Thompson listed among his sponsors prominent residents from every section of the county.

In 1935 he relinquished his post on the board ,and returned tohis coastside home, where he has resided for the past year and a half. Friends throughout the county prevailed upon Dr. Thompson this year to again seek a seat on the county board as the coastside representative.

Dr. Thompson has in the past proved to be a very valuable man on the county board, and through his wide experience and his many accomplishments, deserves the united support of the entire county.

DR. C. V. THOMPSON

FHA Will Cooperate With Veterans In Home Building

Veterans seeking safe and substantial investment of their bonus bonds in a home will be given every possible cooperation by the Federal Housing Administration, it was declared by Clifford C. Anglim, Director for the Northern California district.

"We appreciate the splendid work being done by the Veterans Welfare Board and the many benefits of a veteran's home loan", Anglim declared. "However, there are hundreds of veterans now in California who joined the forces in other states and therefore are ineligible to participate in the veterans home loan program.

"It is to them especially that we extend an invitation to investigate he Federal Housing Administration's insured single mortgage system of acquiring home ownership and to avail themselves of the assistance of the Housing Administration."

Anglim pointed out that under this plan a prospective home owner is permitted to borrow from a local authorized lending institution of his choice as much as 80 per cent of the value of residential property. This applies to building a home as well as to the purchase of existing dwellings. The loan is payable in monthly installments, comparabe to and in most instances less than rent, and extending over periods as long as 20 years, Anglim said.

"The value of the average home in this area approximates $5,000," he declared. "Using tnis as a basis, we find that any veteran who owns a lot worth $1000, or has that amount in cash, is eligible to make application to his lender for as much as $4000 with which to construct a home."

MECHANICAL HINTS

USE LOW GEAR

It is not good practice ever to start a car in any gear other than low gear. Starting in higher gears causes the clutch to slip unnecessarily and results in rapid wear.

WHEEL BEARINGS

Front wheel bearings should be packd with fresh grease and readjusted at least once a year. Loose front wheels will often contribute to difficulty in steering.

PROTECTS BRAKES

When brakes are required almost constantly descending a grade it is best to shift to a lower gear and retard the car by compression. This plan not only saves brake linings but also makes the car easier to control.

USE TIRE COVERS

A good tire cover is a worthwhile investment. Spare tires deteriorate rapidly if exposed to the heat of the sun for any length of time.

CHILDREN'S DAY PROGRAM AT PRESBYTERIAN CHURCH

The following is the children's day program to be given at the morning service at the local Presbyterian Church Sunday morning:

1. Song "I Would Be True, church school and congregation.
2. Prayer, followed by Lord's Prayer, Superintendent.
3. Response by the Endeavorers.
4. Recitation, "The Announcer", Dick Grove.
5. Song by the beginners and primary departments, "This Is My Father's World."
6. Infant Baptism.
7. Presenting of our Cradle Roll. The Loveliest Flowers of All, Margaret Jackson and Yeng Cruch.
8. Recitation "Birds and Bees". Mary Buckman and Mary McCallum.
9. Tableau and Song, "Of Such is the Kingdom," Beginners.
10. Recitation, "The First Children's Day", Richard Froli.
11. Song of Happiness by the Primary Department.
12. Memory Work, Pastor.
13. Recitation, "Remembering With Flowers," Margaret Shepard.
14. Exercise, "Who started Children's Day?" Mrs. Bollum's class.
14. Announcements.
15. Recitation, "Givers," Ruth Smith.
16. Offering, Offertory, George Angus.
17. Primary Department make response after offering.
18. Exercise, "Cheerful Coins," by Marjorie Montgomery's class.
19. Recitation, "The Lord of Little Children," Mervyn Dixon and John Buckman.
20. Duet, by Dennis and Terrance Gilmer.
21. Song, "Lullaby," Lois Williams and class.
22. "Bells of the Bible," Etta McDonald's class.
23. Violin solo, Dorothy Wolfe.
24. Song, with Whistlers, Mrs. Beach's class and others.
25. Recitation, "Welcome Happy Morning," Dorothy J. Smith.
26. Benediction, Pastor.

CHRISTIAN SCIENCE SERVICES

First Church of Christ Scientist, Bryant street and Forest avenue, Palo Alto. Sunday services at 11 a. m. and at 8 p. m.

Wednesday evening meeting at 8 o'clock.

In all Christian Science churches, branches of the Mother Church, The Fist Church of Christ, Scientist, in Boston, Mass., a Lesson-Sermon will be read Sunday, June 14, on the subject "God the Preserver of Man.

The Golden Text will be: "Fear thou not; for I am with thee: be not dismayed; for I am thy God: I will strengthen thee; yea, I will help thee; yea I will uphold thee with my right hand of may righteousness"(Isaiah 41.10). Bible selections will include the following passages from Luke 4: 14,38, 39: "And Jesus returned in the power of the Spirit into Galilee: and there went out a fame of him through all the region round about. And he arose out of the synagogue, and entered into Simon's house. And Simon's wife's mother was taken with a great fever: and they besought him for her. And he stood over her, and rebuked the fever; and it left her: and immediately she arose and ministered unto them."

A passage from the Chritian Science textbook, 'Science and Health with Key the the Scriptures" by Mary Baker Eddy, will also be included, which reads as follows: "The history of Christianity furnishes sublime proofs of the supporting influence and protecting power bestowed on man by his heavenly Father, omnipotent Mind, who give man faith and understanding whereby to defend himself, not only fro mtemptation, but from bodily suffering." (p. 387).

July 15 has been set by the California State Agricultural Conservation Committee as the closing date for filing work sheets in California under the 1936 Agricultural Conservation Program, according to word from the AAA regional office ta Berkeley. This action of the Committee has been approved by George E. Farrell, Director of the AAA Western Division.

ORGAN GHOSTS

It was the pleasure of this scribe to be guest of the late Edwin La Maire in Hollywood, who was recognized as the world's foremost concert organist—It was a special privilege to hear him play in his home the theme of "Moonlight and Roses" which he had originally written — I never miss a Jesse Crawford organ broadcast if I can possibly help it—The passing of the "silent film era" put many a good organist on the shelf—some were fortunate to receive positions as sustaining artists with radio stations or at restaurants strange as might seem—Irma Falvey had the reputation of being one of the best women organists—Miss Falvey gave it up for marriage and is the wife of a leading theater syndicate and is now living in Hollywood—Charles Hayward, at present a theatre manager, was one of the finest organists on the coast—Today he claims that he has given up the profession for good, but sometimes I wonder if on some nights after the show is over, the theatre empty of patrons, he seats himself at the console and accompanies a "ghost" picture on the silvery sheet before him on the stage as of days gone by.

PEEKS FROM THE KEYHOLE

Julius Brunton and Sons Co., owner of K Q W, have made so many improvements on the station's programs, that this station once known as " the haywire station of America", has at last earned a top place on the list of California's leading radio stations —Understood that Jay Brower is packing 'em in at one of San Jose's popular nite spots—M.G.M. is reviving the film "Dancing Lady" starring Clark Gable and Joan Crawford — not because of the stars—the chief reason is Fred Astaire and Nelson Eddy who played minor parts in the film—Wallace Murray, who could have gone places in the show business, is a teacher in one of the local public schools—McGill, the magician, is about due to get the right break one of these days—easy to work with as well as a credit to his profession, he has a personality and disposition that make him likeable backstage with the other acts as well as the customers "out in front".—

TWO SIDES

Had a little chat with Mr. H. S. McCurley of the San Jose High School concerning the Jazz Orchestra's part in "San Jose Hi Day" at the Victory Theatre last week—Orchestra was given a one-day notice in which to prepare their end of it for the program—Mr. McCurley does not direct the orchestra but acts as an advisor —after the first show (and which the writer witnessed) the boys picked out some snappier tunes and hit their better stride.

Motorists For Safeto

a progress report to the executive committee and local advisory boards.

Outstanding among the several safety principles being advocated by the California Safety Council are: Immediate application of every proven safety device, more rigid enforcements of all traffic laws including proper control over

More than 180,000 California motorists are now aligned with the accident reduction program of the California Safety Council, it was announced yesterday by William May Garland, president of the State safety organization in commercial use of highways, elimination of all hazardous sections of highways based upon a statewide survey which shows the particular danger zones, the type of accidents occurring, the hour or hours when accident frequency rises, and the approximate causes of traffic crashes.

The avowed purpose of the California Safety Council, sadi Mr. Garland, " is to secure by united cooperation with all civic and commercial bodies throughout California the building of more safety in highways and streets." He added that the 12-point program enunciated by the California Safety Council is based upon the premise of inculcating safety-mindedness in all motorists and pedestrians, to achieve a 50 per cent cut in traffic accidents.

Among the rominent organizations working with California Safety Council are: the Western Federation of Women's Clubs, the California Congress of Parent-Teacher Associations, the California Association of Sheriffs and numerous other safety-minded groups.

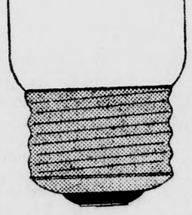
PROPER LIGHTING *costs so little*

EYESIGHT IS PRICELESS



The Better Sight table lamp pictured to the left gives you generous light over the entire surface of table and desk. In addition it throws enough light upward and throughout the room to get rid of eye-straining shadows.

LIGHT that is safe for grown-up eyes is not always safe for children's eyes. Young eyes are still growing; gaining strength. That is why eyestrain caused by reading or studying in poor light may lead to eye trouble in later years. Proper lighting helps healthy eye development just as proper food builds sturdier bodies.

The new Better Sight lamps give ample, soft, diffused light that promotes comfortable seeing and protects eyesight. Buy one of these better lamps today.

Check up on the lighting in your home. Fill the empty sockets and replace old lamps with new so that you will always have good light when you read or study.

★ ★ ★

Good light never was so cheap. Lamp bulbs today are twice as efficient—give twice as much light as they did in 1921. And they cost 66% less. Then, too, the Reduced Electric Rates mean Good Lighting is Cheaper than ever before.

"WHY I BUY AT CHAIN STORES"

Fancy writing doesn't count in this contest—just your choice of reasons for buying at chain stores, clearly and neatly set down! It's a contest you can win as well as anyone.

All residents of California are eligible—*except* employees (and their families) of chain stores and their advertising agencies.

Merely ask for a *free* Official Entry Blank at any chain store. It gives the simple rules and a valuable list of ideas.

The contest is open now. So start immediately to try for the $500.00 first prize—or one of the 309 other cash awards. Just remember—your entry must be submitted on the *free* Official Entry Blank and postmarked not later than midnight, June 30, 1936.

THESE FACTS WILL HELP YOU GET STARTED—

1. **Chain Stores Save You Money.** They cut out wasteful expense in getting products to you—and pass the saving on to you.
2. **Chain Stores Are Clean.** They are airy, well-lighted, well-kept. Pleasant to shop in. A credit to your community.
3. **Chain Stores Are Convenient.** They are located where they will best serve the people of all communities. Stocks are handily arranged.
4. **Chain Stores Give Good Service.** Every service you want—*with courtesy*—but you do not have to pay for services you do not want.
5. **Chain Stores Are Reliable.** You buy with the understanding that you must be completely satisfied in every way—or your money back.
6. **Chain Stores Carry Fresh, Complete Stocks.** Merchandise is distributed rapidly, replenished frequently and sold quickly.

Menlo High School Notes

Seniors Go to Dinner And Theatre In San Francisco

Picnic At Santa Cruz Is Held Next Day

Lucca's was unanimously voted the place to hold the Senior Dinner on the 26th of last month. Everyone ate long and heartily, and although more than one Senior eyed the Wine List, the dinner was topped off with coffee or that old Menlo stand-by—milk.

Following the dinner the party was split into two groups. One attended "The Merry Widow" starring Miss Helen Gaghan, and the other went to see Gladys George in "Personal Appearance." (After much wrangling in the bus on the way back to school, no favorable decision could be reached as to which was the best show.)

The next morning those mighty men of Menlo, the Seniors, slept blissfully on till awakened for Mr. Howard's breakfast. After the meal (and speeches by Faculty members and class officers) the trip to Santa Cruz was on. 'Twas a rather cold day, and over coats, rather than bathing suits, were prominent.

On arriving at the beach, after a stop at Santa Cruz—proper for a visit to the Penny Arcade, Merry-Go-Round, Hlly Coster and Dodgers, the boys whipped out the indoor baseball, and a fast game ensued. The afternoon consisted of more baseball, some swimming, and many trials to scale the cliff behind the beach. The ride home was made in comparative silence, for these jolly lads had had a busy and a hard day's bit of loafing. Some snapshots of the day.

Bill B. in baby-blue trunks.

Sam trying to look nonchalant when he rang the bell on the punching machine in the Penny Arcade.

Mitch shivering after a quick swim.

Paul pineing for the "little woman."

Stan Miller climbing mountains.

Harry collecting thousands of rings for the Merry-Go-Round.

Carl making friends with a strange dog —Etc.

Final Athletic Awards To Be Presented June 10

The final athletic awards will be given out on Recognition Day, June 10. Those who took part in track, swimming, tennis or baseball will receive their letters. Only three high school boys are to get awards in this last sport. Baseball, this year, was a sport in which the two schools combined. Thus high schools boys had to have previous experience to become members of the team.

Awards in track are to go to the following:

Cubs: Bill Satchell (Captain), F. Guirola, John Ryan, Hal Barber.

130's: Andy Clough, Tom McLaren (Captain), Delbert Tucker, Jack Anthony, Phil Ettele, Bob Snyder.

Varsity: Floyd Averill (Manager), Eric Bovet, Bill Durkee, Charles Hitchcock, Lee Merritt, Whiting Mitchell (Captain).

The Swimming awards will go to:

Cubs: Mario Aguilar, Hal Barber, F. Guirola (Captain).

130's: Fred Barnett, Bill Hornstein (Manager), Tom McLaren, Howard Means (Manager), Carleton White.

Varsity: Dixon Adams (Manager), Sam Balliet, Hank Bonnell (Captain) Bill Clyde, Carl Jantzen, Winston Johnson, Dick Norris, C. Springmeyer, Nate Sweet.

Those who earned letters in tennis are Jack Berman, F. Guirola, Jerry Jansen, Carl Livingston, Bob Levin (Manager), Jim McKellar, Scott Pratt, Harry Reid (Captain), Bill Richardson.

Sam Balliet, Bill Durkee and Tom Patterson are the three to receive recognition in baseball.

Track

Although the Menlo track Team lost a few of its meets during the past season, I believe that the season as a whole was a great success. In all my track career, I have never enjoyed working so much with a team as I have this year. The boys have worked diligently, and it has been my general impression that the team was working not only to get their letters, but for the spirit connected with it. They have been good winners and good sports when they lost. With a few of the seniors graduating this year, the team will be weakened somewhat, but with such point winners as Kruittschnitt, Merritt, Tucker, and Clough returning along with the new fellows going out for track next year I think the 1937 track team will go even further than this year's has.

In the Conference Meet, there was much excitement, Menlo taking second to Montezuma as was expected. Many records were broken in both the Little and Big Meet, and both proved successes.

WHITING MITCHELL.

Menlo Swimming Team Wins Conference Meet

On Saturday, May 23, the Menlo swimming team paddled their way to victory for the third consecutive year over Montezuma, Bates, Tamalpais and San Rafael Military Academy in the Conference Swimming Meet. The meet took place as usual in the San Rafael pool.

The Menlo Cubs won a close decision over Montezuma to the score of 19-15 with S. R. M. A. close behind with 12 points and Tamalpais bringing up the rear with one point.

The 130 team rallied to win the relays and tie S. R. M. A. with 28½ points, while the varsity came through to swamp their opponents. The final results were: Menlo 45 points; S. R. M. A., 27 points; Tamalpais, 8 points and Montezuma trailing with a total of 4 points.

The Menlo swimmers had considerable trouble getting used to the strange pool that was one lane smaller than the home pool, rough water and unmarked lanes. Jantzen surprised everyone by losing the fifty yard free style and taking second with the slow time of 27.4 seconds, while D. Norris swam all over the pool to take a second in the 220 yard heat that was won by Stengle of S. R. M. A. in 2.39.3. "Old Reliable" Bonnell splashed his way to win the 75 yard backstroke, setting a new conference record at 51.6 seconds, while Charles Springmeyer won the 100 breast stroke, with Bill Clyde close behind. Jantzen was fouled in the 100 yard free-style when he and another swimmer collided head-on as a result of the poor markings in the pool, and finished third while D. Norris took second place. White won the 150 yard event for the lightweight team with ease, setting a new conference record at 1.54 minutes. H. Norris and Balliet took second and third in the diving for Menlo, the event being won by Lashway of S. R. M. A. Menlo made a clean sweep of all the relays in all three classes, setting three new records and easily winning the others.

Thus ended the swimming season, and once again did Coach "Gunner" Renwick bring a crack team through to a successful season. Incidentally, "the Skip" won a big box of cigars.

Tennis Squad Brings More Honors To School

On May 23rd the Menlo tennis team journeyed to the Lagunitas Country Club for the annual tennis championship. Menlo did not expect to win this conference, but all expectations were broken. The previous Thursday Jack Berman had defeated Schneer (Mont.) 6-2, 6-4. This gaven Menlo a slight advantage. The first match at the country club was between Jim McKellar and Bill Richardson and Fuller and Gray (Mont.). This was a hard fought match, but the superior team work of the Montezuma pair won out by the score of 6-2, 6-2. Meanwhile Carl Livingston had taken the court against Oyster (Mont.) and had easily won by the score of 6-1, 6-1. Next the Menlo first doubles team composed of Jerry Jansen and Harry Reid took the court to defeat Anderson and Hill (Tam.) by the score of 6-2, 6-2. Then Berman defeated Pelassi (Damon) 6-2, 6-4 Jansen and Reid returned to play the best match of the day. They defeated Martini and Sims (San Rafael) in three hard fought sets 6-4, 3-6, 7-5. The highly touted Walter St. Goar (Damon) defeated Livingston by the close score of 6-1, 6-3. Then Berman playing his third match met the second seeded man Skeusecox (Tam.). The first set was close, but Skeusecox came back to win 7-5, 6-0. In the last match of the day Jansen and Reid playing in the finals were defeated by Fuller and Gray (Mont.). In this match some superb tennis was displayed especially by the Menlo combination but they were too tired and exhausted to come through and win the match.

Due to the playing of Berman, Jansen, Reid, and Livingston who contributed all of Menlo's points, Menlo walked off with the school championship.

All thanks must go to Mr. Lordeaux who helped the team win their first championship. He has also built up a team that will be second to none in the conference next year. Those who will return for next year's team are Berman, Guirola, Jansen, Livingston, McKellar, and Pratt.

A titanic, colossal struggle took place last Wednesday afternoon. The faculty and seniors played their annual soft ball game. After the smoke of battle had drifted away, the faculty were declared the winners. The two opposing pitchers were Mr. Campbell and Dave Meyer. Both pitched well but were hit quite freely. The former, however, received better support in the field which proved to be the deciding factor.

The Accomplishment Of The Year In Athletics

Football

Although Coach Cris Connor's varsity did not win the Northern California Private School Conference title, thorughout the entire season, the group gave a good account of themselves.

After being defeated by most of the non-conference teams, Menlo swung into action defeating Tamalpais by a wide margin. The following week Menlo met her hardest match of the year when the Montezuma Indian came down here for the big game of the season. The Aztecs scored twice before Menlo could find her stride. However, Menlo came back soon after, and following a sustained drive, went over for a score. A second drive was stopped just short of the goal line when the game ended 13-6. San Rafael Military Cadets were the last team on the schedule and proved to be good competition as the final score was 6-0 in Menlo's favor.

Spring practice this year has revealed the possibility of a good team next fall. Although many lettermen will be missing, a large group of lightweight stars will turn out, and with the addition of new men, a good team should be put forth.

Tennis

Although the Menlo tennis team had a rather poor start this year, through the encouragement and aid of Stan Lourdeaux and the hard work and perseverance of the team, they came through to win the Conference Championship.

Next year Menlo can look forward to another team that will probably come home with the blue ribbon. Two of this year's team Harry and Reid and Bill Richardson, who are graduating this year will be missed in 1937. Harry was elected this year's captain, and Jerry Jansen was elected for next year. However, there will probably be several good players who will be entering in the fall and will fill the vacancies left by the Seniors. Thus, next year we can expect a very successful tennis year.

Basketball

This year's basketball season was suddenly cut short by a measles quarantine. This was a shame as Menlo with good material was well on its way toawrds a possible conference title.

The 1937 basketball team should be a good one in spite of the fact that two of the stars of this year's team graduate in June. Sam Balliet and Hank Bonnell will certainly be missed. The former has always given a good account of himself at forward and the latter has helped the group to win many close games.

The nucleus of the basketball squad this year were Juniors who it is hoped will return to Menlo next year. Jerry Jansen has been made captain elect. Lee Merritt, Russ Graham, Carleton White, Ernie Kruttschnitt, Charles Frances, Bill Durkee and several others will probably make up next year's varsity. It is too early yet to prophesy just what the outcome will be. With the above mentioned players, however, Menlo should have a good chance of winning the Conference championship.

Swimming

The swimming team had a very good season climaxed by winning the conference championship. The credit for this success goes to Coach Gunner Renwick, who trained and worked with the swimmers.

Next year there will be several gaps to fill. One of the principal losses will be that of Hank Bonnell. He has been the back stroke star and mainstay of the relay team. Carl Jantzen and Dick Norris the sprint stars are also graduating. C. Springmeyer will be missed in the breast stroke event.

There are others, however, who are going to try to fill these places. Winston Johnson showed that he is a capable performer in the back and breast stroke. Russ Graham, Nate Sweet, C. Guirola, and Carleton White will assume the sprint job.

With this material, it looks very much as though another championship team could be developed. Here's hoping that that next year will prove to be as successful as this one has been.

Graduates

This is the final list of the Seniors who will graduate from the High School on June 10. There will be nineteen Seniors who have been in school all this year and three others who finished their work at the midyear.

The following are the names of the class of 1936: Floyd N. Averill, William I. Ballentine, Jr., Sam Balliet, Henry S. Bonnell, Eric Bovet, William Duncan, William Dunkle, George Burley Green, Frederick F. Gundrum, Jr., Paul V. Hansen, Carl C. Jantzen, Jr., Robert B. Levin, David C. Meyer, Stanley T. Miller, Eugene Russell Moodie, Andrew D. Norris, Henry S. Reid, Jr., Bill Richardson, Robert J. Snyder, Charles H. Springmeyer, Carroll Thomas, Robert Williams.

Clubs And Organizations Found On The Campus

I. P. T.

The I. P. T. this years has been exceptionally active and has done a great deal for the Student Body and outsiders. They started out with Henry Bonnell as president and Sam Balliet as secretary-treasurer. These positions were reversed at mid-year.

One of the first big events sponsored by the I. P. T. was "Tacky Day." This was a great success, and many original costumes were worn. Prizes were given for the best costumes. On Hallowe'en a party was given which was enjoyed by all. Next came a beneficial event in the form of a Christmas drive for the needy. The I. P. T. members collected donations from the different students and turned the money over to the Palo Alto Community Chest. Among the other numerous activities of the I. P. T. was a Ping Pong Tournament in which the proceeds went to help fix up the club room. The club sponsored a Red Cross Drive and turned the proceeds over to the Red Cross to aid the sufferers of the Eastern floods.

The I. P. T. besides these other outside activities have also been having some private ones. There have been two initiations this year. The first being towards the beginning of the term in which Bill Dunkle, Dave Meyer, Dave Agnew, and Russ Graham were taken in. The second initiation which was held around the beginning of the second semester brought into the club three Juniors, namely Nate Sweet, Ernest Kruttschnitt, and Jerry Jansen. The climax of the year came with a very enjoyable Dinner and Theater Party in San Francisco. The club also had a combined picnic with the Wakinis Club at Searsville Lake at the end of the year.

This year has been a very successful year for the Club and they have accomplished a great deal. They now have a good foundation for next year, and although they are losing some fine fellows they look forward to an eventful year in 1937.

Wakinis

For the Wakinis Club, this past year has proved a brilliant and most successful one. Henry Bonnell was president during the first semester and Eric Bovet was Secretary-Treasurer. These two were so popular that in the second semester they were elected again in reverse order.

For those who are unfamiliar with the ideals the Wakinis Club stands for it is this: This club is for students who have made themselves outstanding in scholarship, athletic, and in numerous different school activities that they have participated in.

The Club meets every other week and during the meetings some distinguished speaker is usually called upon to tell of interesting travels or business experience he has had or of anything that is of interest to the members of the Club. The members too, are constantly on the watch for the best plays that San Francisco has to offer.

To top off this year the Wakinis Club combined with the I. P. T. Club and took an evening picnic to Searsville Lake.

During this year five new members were admitted. Paul Hansen, Jim McKellar, Russell Graham, Nathan Sweet were taken in shortly after Thanksgiving Vacation, and the fifth new member, Jerry Jansen, was initiated after Easter Vacation. The older members of the Club are Whiting Mitchell, Henry Bonnell and Eric Bovet.

With such an eventful year behind them the Wakinis Club looks forward with great expectation the possibilities of next year being a bigger and more eventful year than this year has been.

Scouts

The Scouts were organized this year during the second semester. Mr. Ed Stark and Mr. Taylor were the leaders of the troop. The group was not very large but seemed to have a good time regardless. Bill Nichols, Craig Carrier, Hal Barber, Gordon Read and Parker Robinson took part in this activity. The Scouts held dinner meetings almost every Tuesday night. Some interesting topic was generally discussed and later games were played in the gym. The highlights of the year were a picnic at Searsville and two outdoor barbecues.

The Scouts report a fine season and as most of them are returning to the school this activity will no doubt continue with this year's group as a nucleus.

G. B. A.

The G. B. A. is a new club which has just been formed here at Menlo. Its main object is to unite the lower classes and to encourage them to get together socially. It has done very well considering the short time that it has been organized. The group has held two dinner meetings and have made a trip to San Francisco for dinner and also went to see a play. As yet all members are boarders.

Next year they plan to make trips to the beach, mountains and other places of interest. They also hope to get their rules and membership requirements settled by that time.
